

**BRYAN TO ADDRESS SOLONS**

**Of California Again Today After Hearing From President**

**SITUATION UNCHANGED**

**Sec. Bryan Suggests That Problem Be Settled by Diplomatic Corps or Possibly a New Treaty.**

[Associated Press Telegram] Sacramento, Calif., April 29.—With the situation of progressive Republican minority towards anti-alien legislation virtually unchanged by the appeals made yesterday by Secretary of State Bryan, also by President Wilson, the California legislature faced today a second broadside of argument from the head of the state department.

What form the objections of federal administration would take was not known early today, for Mr. Bryan had not made public the contents of his telegram from President Wilson received in answer to the questions propounded by the secretary after the close of the conference last evening.

Since his arrival yesterday morning, the secretary of state has declined to make any statement except in conference with the government and members of the legislature and it was expected that another session of the conference would be called later in the day.

Dissatisfaction over the principal plan of the situation of alien land problem put forward by Secretary Bryan was expressed both by Republicans and Democrats. Secretary Bryan suggested that the state permit the matter to be taken up by the diplomatic corps and settled by possible means of a new treaty.

During the argument, Assemblyman Sutherland asked: "What assurance can the federal government give us if the action of passage is delayed by the legislature, the same can be reached through diplomatic effort?"

Secretary Bryan replied: "I am sorry, but I cannot answer as fully as you might like. Until just before I started for Sacramento, it looked as though the words 'ineligible to citizenship' was not to be used. It was only when representations came indicating that the use of the words was contemplated that the President communicated with me, and since then I have had no opportunity to discuss the bill in detail with the Washington representatives of the Japanese government."

"On this matter I have no definite proposition to submit to you—none that is sufficient nature to offer you as an assurance. All I can say is that the President has conferred with the Japanese ambassador and that I have

**WERE REFUSED A MARRIAGE LICENSE AT CAPITAL CITY**

Probate court attaches in the Licking county temple of justice are anxiously awaiting arrival of Harry W. Wetzel and Miss Rachel May Robbins, both of Pata-Kaia. They're almost sure to come. In fact, marriage license clerks spent a great part of Tuesday making preparations to receive them.

The fact is Miss Robbins and Mr. Wetzel, the latter a blacksmith, tried hard to get the necessary legal entanglements fastened in Columbus Monday, according to a dispatch from that city but were denied the documents because the bride-to-be was not a resident of Franklin county. It is said the couple showed signs of being more or less peevish at the unaccommodating spirit displayed by the marriage license clerks of Franklin county, and promised each other to try again.

**HELP IS NEEDED.**

(By Hon. Edward Kibler.) One must see it to realize the extent of the devastation at Zanesville. There were 3,000 homes inundated and 2,000 families were driven out and most of them are still out and a great many of them lost both house and contents.

Zanesville will not recover in a generation, from the effect of this disaster. They are in a measure helpless and imperatively need enough to get the people back into their homes. This means some repairs and some necessary furniture.

**Representative Gallagher Now After Baseball Trust**

Thomas Gallagher, member of the House of Representatives from Illinois, has taken issue with the baseball magnates. He has introduced in the House a resolution for an investigation of the "baseball trust" as he calls it, and the friends of the members of the National commission have denounced him.

Gallagher's action to some extent grows out of the case of Ty Cobb, who demanded \$100,000 a year salary from the Detroit club of the American league. Cobb, will, of course, not be permitted to play in any other club, no matter how much it would pay him. Last year Gallagher introduced a similar resolution, which did not attract attention.

Baseball men, when they speak frankly, of course, admit there is a combination which controls players. They also insist that without such a combination organized baseball could not continue.

"Baseball players," said one of these, like sailors. Few of them are responsible. If a sailor on a ship bound from England to the United States gets it when one-half the voyage is completed he may be placed in irons. It is criminal for a sailor to break his contract, yet it is only a case of civil action for any other employee on land to disregard a contract.

**PROMOTERS ARE SENTENCED TO PRISON TERMS**

[Associated Press Telegram] Philadelphia, April 29.—Judge Wetmore in the United States court here today refused a new trial to the convicted promoters and officers of the International Lumber and Development company and immediately imposed sentence upon the five men. John R. Markley and Isaiah Miller of Chicago, were fined \$10,000 each and sentenced to fifteen months imprisonment; William H. Armstrong, jr., Philadelphia, a former business manager of the concern and Charles R. McMahon, Philadelphia, secretary and treasurer, were fined \$2,000 each and given two years in prison; Col. Alfred C. Steward of Mason City, Iowa, a director, was fined \$1,000 and sentenced to one year imprisonment.

These men were interested in property in Mexico and used the mails and newspapers for advertisements to sell the stock.

**MANY ARRESTS IN THE FAMOUS "ARSON TRUST"**

[Associated Press Telegram] South Bend, Ind., April 29.—Ben Kahn, convicted of burning his store here, today was sentenced from two to twenty years in the Indiana state prison by Judge Funk in the Circuit court. Judge Funk granted Kahn's plea for bail pending an appeal.

Evidence was introduced at Kahn's trial tending to show the workings of an alleged "arson trust" in many central Indiana cities. It also resulted in the conviction of Ben Fink, that he was the "boss" of the "trust" and about 20 additional arrests have been made.

**QUEER WAY THIS OF FILING PROTEST**

[Associated Press Telegram] Chicago, April 29.—Lar Kie Kum, a young Japanese committed suicide by shooting himself as a protest against the proposed legislation in California unfavorable to his race. It is believed.

On the day Secretary of State Bryan was in Chicago, enroute to California Kie Kum remarked that he would give years of his life for a conference with his official. It is not known whether he attempted to see Mr. Bryan.

**CAVE-IN BURIED FORTY MINERS; ALL ESCAPED**

[Associated Press Telegram] Watson, Colo., April 29.—Forty miners employed at the Colorado Fuel and Iron company's mine at Rouse, were buried here yesterday when a cave-in of thousands of tons of coal filled the mine entries for 400 feet. All of the miners are reported safe.

**READING OF TARIFF MEASURE**

**By Paragraph Began This Morning in the Lower House of Congress**

**FIGHT BY THE MINORITY**

**Will be Made on Some Provisions But Bill Will Go Through Unaltered—Pass House This Week.**

[Associated Press Telegram] Washington, April 29.—The Democratic tariff revision bill advanced another stage in the house today, when the reading of the measure by paragraph was begun.

Amendments were offered by Republicans and by Progressives as the minority, while the bill progresses through this part of its legislative journey, and some amendments that may seem best in the light of developments may be brought in by the ways and means committee majority.

The minority of the house will make a fight on some of the provisions, realizing, however, that with an immense majority of Democrats in the house, the bill may go through unaltered by the opposition to it. Whatever amendments are agreed to by the Democrats will be voted upon later as a whole when the bill is reported to the house as a formality, from the committee of the whole house, the parliamentary status of the house consideration at this time.

Consideration in the house itself will be brief, the chairman of the committee of the whole house simply reporting the adoption of the bill, "with sundry amendments" by the committee and a very quick consideration of the bill and the amendments in gross, will be followed by the final passage of the bill and its forwarding to the senate.

Representative Underwood of Alabama, Democratic leader, said today that he hoped and expected that the bill would be passed by the house this week. He added that unless currency legislation should be taken up, the tariff bill could safely pass both houses of congress and be signed by the president and congress could adjourn by July 1.

Many members of the house who have not spoken in general debate will talk under the five minutes rule, beginning today on the bill.

When the reading of the bill for amendment began Majority Leader Underwood made it apparent that the Democrats intend to hurry the bill through. He objected to all re-

**FOREIGNER HURT WHEN HE STEPPED IN FRONT OF A CAR**

Mike Czech, a foreigner, sustained severe bruises Monday night at the circus grounds in Eleventh street when he walked around the rear end of a street car and stepped on the tracks in front of a car going in the opposite direction. Fortunately the car was moving slowly and Czech escaped with a few severe bruises. He was able to go to the office of Dr. Shiner where he received attention.

French exports to the United States increased by nearly \$177,000,000 in 1912 as compared with the preceding year.

**Let Everybody Read Jones, Kibler and Hawkins Statements**

The written statements of Mayor E. M. Swartz, Judge T. B. Fulton, Judge Robbins Hunter, W. H. Mazy, R. W. Smith, Fred C. Evans, Col. W. C. Wells, Senator Wm. E. Miller, and Harry Rossell in yesterday's Advocate picturing present conditions in Zanesville, brought to many people a better realization of the urgent needs of our Zanesville neighbors. In today's paper may be found statements written by Prof. Wilson Hawkins, Hon. Edward Kibler and Solicitor Roderic Jones. Everybody should read each one of them.

While Newark has done a great deal for Zanesville since the awful flood of March 25, the people would gladly do more if they fully realized the urgent needs of Zanesville people. These statements will serve to make clear the exact situation.

The Newark men has resubmitted to Zanesville. Look over your own paper to see what you can spare to help the Advocate for shipping. By sending your gift to the B. & O. freight station properly marked it will be carried free to the flood victims.

Money needed for the purchase of supplies and cash contributions to this office. A thousand more people should be doing and able to give a dollar and they would do it too if they realized the great need. The time to act is right now.

**NEWARK'S DUTY.**

(By Roderic Jones, City Solicitor.)

One prevailing impression is that Newark remains with anyone who visits Zanesville and examines conditions there, and that there is practically no money or supplies of furniture needed there. The only limit, therefore, to what ought to be sent there is the ability of the people to give.

As many of the houses were destroyed by the flood, these people are living wherever they can, but, as present and for many weeks it will be impossible to house many families. There were proper houses available, most of these people are without means for properly re-establishing a home. These something is done effectively and shortly toward enabling them to re-establish their homes, the moral consequences are apt to be appalling. Faced by poverty and want and without the restraining ties which center about a properly established home, the downward course to all, and particularly to women, is an inviting and in many cases an inevitable means of escape.

There can be no doubt about it that it is not only a privilege but a duty to our people to do what they can to furnish the only means by which such a result may be averted.

**FARMER WOUNDS PROBATE JUDGE OF WYANDOT CO.**

[Associated Press Telegram] Upper Sandusky, O., April 29.—As Auditor Peter Frank and Probate Judge W. P. Rowlands were walking home to dinner at noon today, John Broadman, a wealthy farmer, pulled a 32-calibre revolver from his hip pocket in front of the shoe store of Anthony Vogel and fired four times at Judge Rowland.

The bullet passed through the flesh of his right arm, one struck him in the left collar bone and glanced off, another struck the door of the shoe store and the fourth flattened on the pavement as Judge Rowland fell.

Believing he had killed Judge Rowland Broadman walked across the street and gave himself up to Deputy Sheriff Benges. Several years ago Rowland was an attorney against Broadman in a law suit. He threatened to kill Rowland and today put the threat into execution.

**TO TEST DEPENDENT MOTHERS' PENSION IN PENNSYLVANIA**

[Associated Press Telegram] Harrisburg, Pa., April 29.—Pennsylvania is to test the dependent mothers' pension system. Governor Tener having today approved the act recently passed by the legislature providing for county system of pensions for mothers under the administration of a commission of from five to seven women to be named by the governor for each county availing itself of the provisions of the law. Payments are to be made monthly and the combined maximum payment shall not exceed \$12 a month for one child, \$24 a month for two children, \$25 a month for three children and \$25 a month for each additional child. For the purpose of the new law an appropriation of \$200,000 is made.

**UNABLE TO PAY \$50, MR. GIRARD OFFERED HIMSELF; ACCEPTED**

[Associated Press Telegram] Lexington, Ky., April 29.—Mrs. Rachel S. Sells, aged 50, of Corbin, Miss., caused the arrest of Frank G. Girard, 30, a former with a bullet wound, here charging that he had stolen \$50 from her. Girard declared his inability to pay, but offered himself to her, instead. She accepted him and the two were married a few hours later.

**SOLONS TO ADJOURN TONIGHT**

**Attending Baseball Game and Will Banquet Later With Gov. Cox**

**SENATE HARD AT WORK**

**Remain in Session All Afternoon—The Snyder Bill Passes Upper House—Blind Pension Bill Reintroduced.**

[Associated Press Telegram] Columbus, O., April 29.—Instead of adjourning sine die at noon today as had been expected, the legislature will not complete its work until late tonight. At noon the house recessed until 3:30 tonight, in order to give its members an opportunity to attend the baseball game between the Republican and Democratic members and to attend the banquet tonight to be given by Governor Cox for the legislators. The senate remained in session all afternoon.

As amended by the conference committee last week, to eliminate the clause which would have allowed the cities to begin condemnation suits at any time to secure property of public utilities, the Snyder bill providing for indeterminate franchises for public utilities, passed the senate today and was sent to the house. The bill does not include telegraph and telephone lines as utilities.

The house refused to concur in the report of conference committee on the Warrens graduate automobile tax bill. As passed by the house originally the measure provided that the automobile tax go to the highway funds of the various counties. The senate amended it to provide that the tax go to the general fund of the state. The report of the conference committee provided that one-third of the tax go to the state highway fund and two-thirds to the state general fund. A new conference committee probably will be asked for.

Representative Van S. Dearon, of Miami county, reintroduced his blind pension bill which was vetoed by Governor Cox because it was found to be faulty. The errors were corrected in the new bill, and it is expected to pass both houses.

The house and senate today concurred in the conference committee's report on the Model charter bill introduced by Smith of Butler county. As the bill was passed it eliminates non-partisan nominations in municipalities but provides for non-partisan elections. The bill now goes to the governor for signature.

The conference report of the Freibohm judicial bill was accepted and adopted by the senate. As amended (Continued on Page 3, Col. 3.)

**RECOMMENDED THE ABOLISHMENT OF ARMORY BOARD**

[Associated Press Telegram] Columbus, O., April 29.—Abolishment of the present state armory board, and a large reduction in the cost of maintaining the Ohio National Guard, was recommended today by a report of the legislative committee which made an investigation of that department.

The report stated that the naval militia with its two boats, the "Dorchester" and "Essex," costs the state approximately \$250,000 a year, and that the removal of the training school for the United States Navy.

The report commended the militia in training for the service it rendered during the floods, and suggested that the guard be equipped with small boats and other necessities for the emergency.

The committee suggested that a committee be appointed of the governor, the attorney general and the state superintendent of public works to do the work of the present armory board which was found expensive.

**HELD UP THE BANK CASHIER**

[Associated Press Telegram] Peabody, Mass., April 29.—A man armed with a revolver and wearing a napkin over the lower part of his face entered the Peabody Co-operative bank today, held up John A. Teague, the cashier and escaped after obtaining the contents of the cash drawer, about \$50. Teague and his assistant, Miss Marie Osgood were the only persons in the front office of the bank which is in the center of the business district when the man appeared.

**Old King Nicholas Has Stirred All Europe By Defying Powers**

Old King Nicholas of Montenegro, one of the pettiest of the petty Balkan states, has shocked all Europe by his statement that Scutari, which his troops won in the Turkish war, will not be given up. Austria, strong enough to crush him in a week, was sent into a fury at the defiance of the king.

In the settlement of the Balkan war the powers, as usual, in their treatment of Balkan problems, are following a policy of compromise, and one feature of the program required the Montenegrins to give up Scutari. "We will fight first," said Nicholas in effect, and though he would not last long his courage was sufficient to make the powers pause.

**HORSEWHIPPING IN THE LOBBY OF OFFICE BUILDING**

[Associated Press Telegram] Columbus, Ohio, April 29.—A horse whipping scene enacted in the lobby of a downtown office building this afternoon created a small sized sensation.

Mrs. Daisy Lehman, who operates the cigar stand in the building, stopped E. M. Fitzwater, as he was on his way to work in the board of election offices and attacked him with a buggy whip which she had concealed behind the stand for that purpose. Fitzwater is employed by the week as a special registration officer.

"He has owed me a dollar for nearly a year for cigars and papers," Mrs. Lehman declared. "This week he has been making four dollars a day, and I needed the money. Perhaps it was not a lady-like thing to do, but I simply couldn't afford to lose it."

No arrests were made.

**UNREQUITED LOVE CAUSES MURDER IN CHICAGO TODAY**

[Associated Press Telegram] Chicago, April 29.—Anthony Marasco, 25, was struck on the head with a hatchet and killed today after he attacked Anna Forte, 16, because she refused to marry him. Pasquale Forte, 19, a brother of the girl, is said to have struck the blow. He escaped.

Mrs. Pasquale Forte came to the assistance of her daughter. She fired at Marasco and the bullet struck Frank Alfano, 22, who was passing the house. Physicians say Alfano probably will die.

Mrs. Forte, mother of the girl, Pasquale Forte, a member of the firm of Forte Brothers, lawyers, and a cousin of the girl and Anna Forte were taken into custody.

**SEARCHING FOR SLAYER OF A 14-YEAR-OLD GIRL**

[Associated Press Telegram] Atlanta, Ga., April 29.—Search for the slayer of a 14-year-old Mary Morgan, whose body was found in the National Park company's plant, was continued today by the police. Four men are detained in connection with the case, but only one of them, John M. Gault, former bookkeeper at the factory, has been formally charged with murder.

Detectors today resumed their questioning of New York, the night watchman, who found the girl's body. "I don't know," was the night watchman's only answer throughout the second day.

Can't stand any claims he is innocent. The coroner's jury will resume the inquiry tomorrow morning.

**Ton of Bullion Taken by Insurgents**

[Associated Press Telegram] El Paso, Tex., April 29.—United Captain Kild's bandits Francisco Villa's insurgents refuse to bury their booty. With them over steep mountain trails they are carrying nearly \$100,000 worth of silver and gold bullion, weighing nearly a ton. This was reported by American ranchmen arriving here today from the Madera district where Villa is operating.

**GANGSTER MURDERED BY GUNMEN**

**Shot Down Near Scene of Rosenthal Killing in New York**

**POLICEMEN HEAR SHOTS**

**And Arrest Five Suspects in Vicinity of the Crime—Dead Man Was Suspected of Being a "Squealer."**

[Associated Press Telegram] New York, April 29.—Suspected of "squealing" to the district attorney, Jerry Malda, known as "Jerry the Luncheon," met his appointed death on Forty-first street, near Broadway, early today. He was shot down by gangsters who sent five bullets into his body.

The shooting occurred only a couple of blocks away from the scene of the murder of Herman Rosenthal last July, but the gunmen had less than the Rosenthal murder crew. Five policemen who were in the immediate vicinity heard the shots and pounced upon the five men, whom they accused of the killing.

The police allege that the men caught are members of the Paul Kelly band of youngsters, of which Jerry was an adherent. They say that Jerry had recently fallen under suspicion, however, and that he was thought to be revealing the gang's secrets to District Attorney Charles S. Whitman.

None of the men caught was armed, but witnesses said they had seen them throw revolvers away, and three or four guns were found in a garbage can nearby.

James Jesso, one of the prisoners, was severely beaten by the officers who caught him. The police say that "Guinea Sam," another prisoner, was under arrest two years ago in connection with the murder of a member of the gang under similar circumstances.

**OFFICERS ARE CHARGED WITH CONSPIRACY**

[Associated Press Telegram] New York, April 29.—Four former police inspectors, charged indirectly with grafting, and directly with conspiracy to obstruct justice, prepared to face District Attorney Whitman at the opening of the most important police trial since the Becker case. The defendants, Dennis Sweeney, James E. Hussey, James P. Thompson and John J. Murtha, were all indicted recently after the district attorney's office had uncovered a system of corruption connected with disorderly hotels.

The men are charged with conspiring to keep out of the state George A. Sipp, a hotel keeper, whose confession to paying blackmail money to the police forms the basis for the prosecution.

Two men, Hartigan and Robinson, who were policemen attached to Sweeney's staff, have lately been sent to Sing Sing for police blackmail.

**TWO CITIES AFTER S. S. CONVENTION**

[Associated Press Telegram] Columbus, O., April 29.—According to information received today at the school headquarters of the Ohio Sunday School association, either Lima or East Liverpool will land the deferred state convention.

It was to have been held at Portsmouth during the first week in June, but flood conditions there necessitated a change and a postponement to the first week in October.

**A BIT OF LUCK.**

When the high water reached one of the rice plants in Zanesville it overturned and spilled the contents of two oil barrels on the first floor. The oil of course coated the water in the room and as the height of the water increased the oil remained on top, completely coating the machinery. When the water fell the oil was found to have completely covered the machinery and all that was necessary to do was to wipe it off. The machine equipment in this way escaped injury from the flood. This is about the only bit of good luck that happened to Zanesville during the March flood.

# LOBBY CROWDED AT THE SMITH MURDER TRIAL

[Associated Press Telegram]  
Springfield, O., April 29—Evidence to refute that of the state was started this morning in the trial of Dr. Arthur B. Smith, charged with the murder of his wife, Florence Cavileer Smith, by cyanide poisoning.  
At the opening of court the lobby was again crowded, many society women being in the front rows of the line-up which extended into the street.  
In the absence of their experts, the attorneys for the defense, James B. Malone and John M. Cole, after a conference started on a line of rebuttal to show presence of heart trouble in the Cavileer family, first calling Asa Gordon, an aged uncle of Mrs. Smith a farmer. He was asked about consulting a physician in regard to heart trouble, but said he had forgotten. On cross-examination he said he was able to do a day's plowing though seventy years of age.  
George McCann, a pharmacist, who had worked with Daniel M. Patterson, the state's star witness, was called. He said that in January, 1912, he had asked Patterson if he had ever sold cyanide to Dr. Smith, and Patterson said: "No, I never sold cyanide to any doctor." Patterson testified as to the sale.  
Dr. Julius Eichenberg, of Cincinnati, who attended Alfred C. Cavileer, a brother of Mrs. Smith, at Clifton, in his last illness, was called. He said Mr. Cavileer had died of myocarditis. The death certificate was offered in evidence.  
Francis K. Allen, a worker in metal was called. He told of his experience of 25 years with cyanide of potassium. He said he had tasted it and immediately became unconscious. He had been experimenting with plating and touched the bar with his tongue. The taste was bitter, but there was no sense of feeling except numbness.  
Edward P. Mosher and Henry J. Kramer, fellow workmen with Allen and who resuscitated him, described his symptoms after tasting the cyanide as "just fainting away."

Lucy M. Milleson, a nurse formerly of Bellefontaine, told of the meeting Florence Cavileer Smith on a traction car going to Dayton, Feb. 14, 1912, about a month before Mrs. Smith died. She said Mrs. Smith had an attack, fell over on the seat, convulsed, writhed, turned blue and moaned, frothing at the mouth. Mrs. Milleson administered strychnine and the sick woman recovered. She said she was suffering with her heart. The state objected to the testimony, but the witness identified Mrs. Smith by a photograph offered in evidence. She said she had forgotten the incident and the woman

until after this case opened when she saw a picture of Mrs. Smith in a newspaper which told her husband was on trial for his wife's murder under circumstances and symptoms similar to those she had witnessed. She then volunteered her testimony. The state did not cross examine but reserved the right.  
Hannah Quinlan, maid at the Smith home for twelve years was called. She had cared for Mrs. Smith in her last illness, prepared her meals and washed her dishes, her husband carrying up the meals. On the morning of Mrs. Smith's death she prepared a cup of cocoa which came back to the kitchen practically untouched. In contradiction to Dr. R. C. Rind, the state witness, she said she had heard Florence Cavileer Smith speak to her husband after the doctor was called. After Mrs. Smith's death she washed dishes in the room but never noticed anything wrong.  
On cross examination the state inquired as to Mabel Marchant, now Mrs. Smith, coming to the house but witness said she had only acted as a nurse. The witness was asked how long Dr. Smith and his wife had occupied separate rooms and she said for several months. The reason she said, Mrs. Smith herself had told her that when she was sick she snored and it made the doctor nervous.  
The defense then introduced the death certificate of Florence Cavileer Smith showing myocarditis as the cause of death, indicating they are approaching the end of their direct defense. Dr. Smith may go on the stand in his own behalf to close the defense.  
Mrs. Anne E. Smith, aged mother of Dr. Smith, supported by friends, took the witness stand this afternoon in behalf of her son. Broken in health, she testified of conditions in the Smith home before and after the death of Florence Cavileer Smith.

## NO SMUT SONGS WILL BE TOLERATED IN CHICAGO NOW

[Associated Press Telegram]  
Chicago, April 29—Agitation against the "smut song" bore fruit last night when an ordinance was introduced forbidding the singing of any song, the words of which are suggestive of indecency or immorality. The council passed the ordinance prohibiting the exhibition in show windows of a picture portraying an undraped figure.

## QUICKLY CURES THE WORST BACKACHE

Makes Kidney Trouble, Bladder Disorders, and Rheumatic Pains Vanish.

It is no longer necessary for any one to suffer with backaching, kidney trouble, have disagreeable bladder and urinary disorders to contend with, or be tortured with rheumatism, stiff joints, for the new discovery, Croxone, quickly and surely relieves all such troubles.

Croxone is the most wonderful remedy yet devised for ridding the system of uric acid and driving out all the poisonous impurities which cause such troubles. It is entirely different from all other remedies. It is not like anything else ever used for the purpose. It acts on the principle of cleaning out the poisons and removing the cause.

It soaks right in through the walls, membranes and linings, like water in a sponge, neutralizes, dissolves, and makes the kidneys soft and filter away all the uric acid and poisons from the blood, and leaves the kidneys and urinary organs clean, strong, healthy, and well.

It matters not how long you have suffered, how old you are, or what you have used, the very principle of Croxone is such, that it is practically impossible to take it into the human system without results. There is nothing else on earth like it. It starts to work the minute you take it and relieves you the first time you use it.

If you suffer with pains in your back, and sides, or have any signs of kidney, bladder troubles, or rheumatism, such as puffy swellings under the eyes or in the feet and ankles, if you are nervous, tired, and run down, or bothered with urinary disorders, Croxone will quickly relieve you of your misery. You can secure an original package of Croxone at trifling cost from any first class druggist. All druggists are authorized to personally return the purchase price if it fails in a single case.

## I. M. PHILLIPS BUYS PONY HERD OF ELLIS JONES

I. M. Phillips, well known real estate dealer, has just concluded a deal whereby he became the owner of the pony herd which has been owned for the past several years by Ellis Jones, who resides east of Newark. The herd has been wintered near Thornville and on Tuesday the herd was transferred to the farm recently purchased by Mr. Phillips and he will enter the business of breeding fine Shetland ponies. There are a dozen or fifteen animals headed by "Prince", a famous Shetland stallion. In the number is a colt foaled on St. Patrick's day. Two of the ponies are perfectly matched with black and white marks and Mr. Phillips expects to use this team for driving purposes.

## SOLONS

(Continued from page 1.)  
In committee the bill provides that the printing of records of the supreme court and the court of appeals shall be awarded by competitive bidding.

The senate this afternoon agreed to the nine-hour work day for women bill which holds the bill to the governor. As accepted the present law of 54 hours a week is extended so as to include all mercantile establishments in cities, such as retail dry goods and novelty stores.

At the same session Senator Potting of Summit county introduced a bill which is exactly similar to the old Dean bill which endeavored to permit cities in dry counties to vote wet if they desired. The purpose of introducing such a measure so late in the session is to see if the bill cannot be submitted to a referendum before the people.

The last appropriation bill of the senate, which is for sundry expenses, was passed, carrying a total of about a million dollars.

The senators concluded the session by presenting their presiding officer, Lieutenant Governor Nichols, with a handsome silver tea set and then recessed until after 8:30 this evening.

## TAKE YOUR CHOICE

By HOLLAND.

MANUFACTURERS are of two kinds—the honest and dishonest. The one makes the best goods, the other makes the worst. Each has his own particular scheme of life.

The honest manufacturer aims to make the best goods he can and to advertise them so that all the world will know of their merits. He courts investigation. He wants customers to hold him to a rigid accountability.

The dishonest manufacturer hopes to profit by deception. He produces an article that will be offered as "just as good" though he knows it is inferior. He seeks to make a larger profit than the honest manufacturer, and this larger profit is necessary because he has to find new customers day after day.

MANUFACTURERS WHO ADVERTISE ARE THE HONEST ONES.

## RHEUMA DRIVES OUT RHEUMATISM

After 25 Years of Misery, This Man Walks, Works and Feels Fine Again.

Right away—the first day you start to take RHEUMA—the Uric Acid poison begins to dissolve and leave the sore joints and muscles. Its action is little less than magical. RHEUMA works so speedily you actually can feel the Rheumatism leaving the body. A bottle costs but 50 cents and if you are not satisfied Evans' Drug Store will return your money. Read this:

"I wish to state to you the facts and nothing but the facts. I bless the day a friend brought me a 50-cent bottle of RHEUMA. I used one-half of it and I feel more good than all the other medicines I ever tried. I had been afflicted with Rheumatism all over my body for more than 25 years. I could not walk, and was a broken down man. During that time I spent a small fortune trying to get rid of the horrible disease, but without help. However, RHEUMA reached my case, and I thank God I can again use my feet and do my work."

"Before taking your medicine I was staying with a daughter on her farm, and despite her loving efforts to tempt my appetite I could not eat. After I had taken RHEUMA two days my appetite returned. Yours for prosperity."—Prof. H. H. Kollins, 7 S. Ninth St., Richmond, Ind., Oct. 10, 1912.

## CIRCUS CROWD PLOWED THROUGH THE DEEP MUD

Handicapped by a hard night's travel as well as the muddy condition of the show grounds, the Wallace-Hagenbeck circus gave two very creditable performances at White Field Monday afternoon and evening. While the circus tent was not crowded, the attendance was unusually good at both performances considering the weather conditions.

The hundreds of people who waded through the mud, both at the entrances and in the big tents, seemed not to mind this discomfort and enjoyed the season's first circus to the fullest extent. As usual the menagerie interested the little folks and there was an enormous crowd around the monkey cage and elephant arena during the hour preceding the opening of the circus under the "big top."

In this tent the unpleasant weather conditions were more noticeable. The performers found their work disagreeable in the extreme but despite this fact their work was splendid. The new and gorgeous costumes prepared for the season's opening, were not used in any of the acts on account of the mud, the performers clinging to their last season's costumes.

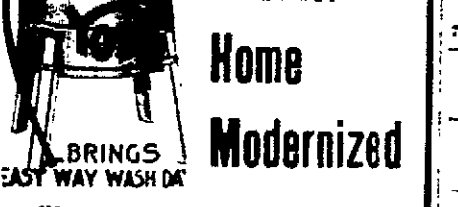

The acrobatic work, trapeze performing and the trained animal features were all of a high class and the crowds frequently showed their approval by hearty applause.

The arrival of the show and the work of preparing for the Monday crowds was a pleasure as compared to the tasks confronting the attaches Monday night when the second performance was under and the crowds left. The evening's rain made conditions much worse and the heavy wagons were drawn from the grounds with great difficulty. In several cases it was necessary to secure the assistance of the big elephants, to push the wagons up the small grade and into the street.

One of the horses, suffering from some form of illness dropped dead in Church street while working with one of the several teams hitched to a big wagon.

# Our Semi-Annual \$9.98 Suit Sale

## Commences Tomorrow and Continues Two Weeks

### The Biggest Money-Saving Event of the Season

Look at our window display of these Suits tonight and you will at once realize the magnificent values that we are going to offer for the next two weeks. Not suits bought up for a special sale but our regular \$12.50—\$15.00 and \$17.50 garments in styles that have proved to be the best spring models. The materials are Serges, Diagonals, Bedford Cord, English Mixtures and Rough Faced fabrics in such shades as tan, brown, navy, ecru, sumatra, black and grey. All satin linings used are guaranteed for two seasons' wear. It is impossible for us to convey to you the magnitude of these wonderful values simply with mere printers' ink. You must come here and judge for yourself. Examine the materials, linings, styles and all the little details that go to make up a strictly high grade tailored suit. To the women who know the policy of this store and realize that all reductions are genuine, we need say no more. To those who are not so well acquainted with our methods, we ask you to compare these with those shown elsewhere at double the price, then decide where true values reign supreme. Remember this money saving event continues only two weeks. It will be the wise shopper who shops early, while assortments and sizes are complete. Over two hundred suits to select from, at each.

# SOCIETY

Miss Edith Woodward was the entertaining hostess to the members of the Brightening Circle of The King's Daughters at her home in West Church street yesterday afternoon.

Mr. H. L. Montgomery entertained a party of six guests at dinner at the Sherwood Hotel Sunday.

Mr. Joseph Travers of New York City entertained with a box party Monday evening at the Hazenbeck Wallace show. His guests were Mr. and Mrs. W. H. Mazy and party.

Friday afternoon Mrs. Messinger charitably entertained the Music club. The few hours were busily spent in needlework and conversation. The hostess invited the members and guests to the dining room where a dainty two course luncheon was served. The guests of the club were Mrs. Hein and Mrs. Davis of Bessville, Ohio.

The next regular meeting will be with Mrs. Peterson in Webb street, Friday afternoon, May 9.

Miss Ruth Spickler entertained a few of her friends Friday evening at her home in Roseland avenue. The evening was spent informally and at a late hour refreshments were served. Miss Spickler's guests were Miss Anna Gabo, Effie Plummer, Mary Lynne, Mildred Spickler, Florence Kilworth, Mary Madison, Helen Paul, Pearl Kilworth, Mary McKay, Joseph Crown, Esther Clark, Ruth and Claire Spickler, Messrs. Paul Hickey, Gerald McKay, Harry McLean, John Spickler, Cyril McKay, Ralph Lurie, William Spickler, Edward Hutson, George Lynne, and Joseph Spickler. Mr. and Mrs. Brie Moore, Mrs. Moore assisted Miss Claire Spickler in serving.

One of the pleasant occasions of last week, was the second annual banquet, given by the resident alumni of their alma mater, Ohio Wesleyan University in the dining room of the Second Presbyterian church, Friday evening. It was served by Mrs. Billingsly's Sunday school class and reflects great credit upon their ability in the culinary art.

Attorney Edwin S. Randolph, president of the local association, presided during the evening until the time for the literary program to begin, when he presented Professor O. J. Barnes as toastmaster. Professor Barnes introduced Miss Bess Glenn for a piano solo, which was followed by toasts by Miss Kate Vance, Prof. H. M. Beauty and Miss Mary Hillman. Mrs. E. S. Randolph rendered a whistling solo, and Mrs. L. T. Reese a vocal solo, which were well received.

An address by Prof. William G. Hornell of Delaware, O., gave a graphic description of the flood and also gave some idea of the advance system of flood control by the United States government.

In response to the requests of the Messrs. R. W. Howard and Dr. Wyeth, after the re-election of the old officers for the ensuing year adjournment was had and a half hour was spent rehearsing college melodies.

Miss Louise Hunter of Buena Vista street is entertaining the members of the Tuesday Afternoon Bridge club this afternoon. This is the first meeting of the club since its discontinuation during the Lenten season.

A number of Newark devotees to the art of music will go to Columbus on Wednesday to hear either or both performances of the Chicago Grand Opera company at the Hartman theatre.

Miss Hazel Lippincott delightfully entertained about twenty guests at a winter picnic Monday afternoon and at six o'clock a picnic dinner was served buffet style to the guests. The hours were informally spent and in the evening the entire party attended the Wallace-Hagenbeck show. A number of guests were present from Granville.

Miss Katherine Sullivan of German street will entertain as her guests this evening the members of the O. N. T. club.

ROSS-TROUT. Announcement is made of the marriage of Mr. George Ross of the Licking County Bank of this city and Miss Corna Nae Trout of Duncan's Falls. The wedding was solemnized

# SWISHER BROS. CASE BEFORE COURT TODAY

J. H. Swisher & Son Would Restrain Harry Swisher and Others From Using Name "Swisher Bros."

John H. Swisher & Son, a partnership, composed of John H. Swisher and Carl Swisher and doing business under the firm name and style of John H. Swisher & Son, vs. Harry Swisher, Swisher Brothers, a partnership doing business in the State of Ohio, and Swisher Brothers Cigar Co., a corporation.

The court heard the testimony and arguments. Plaintiff asks that the defendant, Harry Swisher and all persons connected with him in any partnership formed by him or them, may be enjoined and restrained from using the name "Swisher Bros." in any business similar to that carried on by the plaintiffs or from holding him, or those associated with him, out to be Swisher Bros., or successors of said old firm of Swisher Bros., and that the defendant the Swisher Brothers Cigar Co., may be restrained from doing business at Newark, Ohio, under the name and designation of the Swisher Bros. Cigar Co., or using the name Swisher Bros. in the prosecution of any like business to that carried on by plaintiffs at Newark, Ohio.

In the case of Licking County Building and Savings Co., vs. Isiah Shimmel, notice was given of application for hearing to the court on motion to set aside the sale heretofore made.

A. A. McDonald vs. D. H. Buover, leave given to file reply now on file. State of Ohio vs. Walter Shaw, heretofore tried to the jury on an indictment charging assault. The jury at the last term of court found the defendant guilty of assault and battery.

The court sentenced the defendant to pay a fine of \$50.00 and be imprisoned in jail for three months. The execution of sentence was suspended for ten days to permit the defendant to make application to the Circuit court for leave to file a petition in error.

## DEATH OF INFANT.

The many friends of Mr. and Mrs. William H. Wein will be grieved to learn of the death of their infant son, William H., Jr., Friday, April 25, 1913. The remains were laid away Saturday afternoon at Cedar Hill cemetery, with only the immediate family and a few friends in attendance. The mother is recovering nicely and both parents wish to express their appreciation for the tokens of sympathy received.

God took our little darling, And left us with empty arms, But we cannot doubt his wisdom, Perhaps in the unknown future We'll be made to understand, When we again meet our little one In God's Happy Heaven Land.

## INFANTS DEATH.

## The Consolations of the Unappreciated Wife

SOMETIMES she was saying a little bitterly, "It doesn't seem as if I do anything worth while. I cook and wash and keep the house tidy, and spend Jack's money as economically as I can; but he never seems to appreciate it. He eats the meals, and enjoys the house, and throws things around just as he feels like, but never says a word that things are the way he wants them. It just seems as if I am wasting my life."

"All men are like that," replied her friend soothingly. "Of course, I think they might say, once in a while, how nice things are, but they never do. I think sometimes it pays to go away on a vacation and let things get at sizes and sevens just to wake them up."

"Oh, when you come back, they'd settle right down in the old rut again; and like as not feel injured that you had left them to shift for themselves."

"Well, you have one satisfaction," said her friend. "You know you are being useful. And I think, this just in itself, is a lot. Of course, it is nice to be appreciated. But you are really, even though Jack doesn't say anything. But even if you actually were not appreciated still you are doing something that is useful. The making of a comfortable home is a big thing. And aside from any appreciation, the fact that you do this ought to give you a satisfaction that in itself is a joy."

"I suppose that is so," said her friend. "In that case I really am useful. And in the ultimate, that is all any one can be."

"Yes, and deep down there is even a greater satisfaction. Did you ever read that little poem, 'Love sang to me'?"

"No."

"Let me quote you a bit, 'Love sang to me, and I am glorified. Because of some commandment in the stars, And I shall grow in favor and in shining. Till at the last I am all beautiful; Beautiful, for the day Love sings no more.'"

"That is wonderful," said her friend, softly, "and it is true." "Not that I think the time will come when Love will not sing to you," concluded her friend, "though John evidently thinks with Keats that unheard melodies are sweetest." But even should that time come, you have the beauty that love has brought. So you see that instead of your life not being worth while, yours is a life that is both useful and beautiful. And what more can you want?"

"You are the champion cheerer," said the woman as she rose to go. "I recommend as your vocation that you carry comfort to disconsolate wives."

# Heiress of Millionaire Milk Trust Magnate

Ramona Borden, the seventeen-year-old daughter of Gail Borden, son of the man who founded the Borden milk concern, which is the most important concern in the milk trust, has been engaged in a series of chases. The heiress of the millionaire had been living with her father at the Manhattan hotel in New York. She slipped away to visit Mrs. Sheldon White, a chum in Washington. Her father sent detectives from the Bradley Agency or Washington to take her away, and on the advice of a physician she was removed to Dr. Adams's sanitarium at Pompton Lake, N. J. She remained there a week and then tried to escape. Two women appeared with an automobile into which she jumped, her nurse following, and they went on to Newark, N. J. There she eluded the nurse and with the two women disappeared. Her father was distraught. The mother, who lives in Los Angeles, was as greatly distressed. The young woman with Mrs. White, another friend, Mrs. T. A. Barker of Brooklyn, was later found in a Boston hotel.

# NOTICE

A company was recently organized which took over our plant at Loudonville, Ohio. One of the conditions of the transfer included their securing control of the name Home Plate, to be used as one of their private brands. We have therefore substituted the brand "X L All" Flour in place of "Home Plate" Flour. The quality of X L All Flour is the same as "Home Plate." "X L All" is the highest grade flour on the market. For sale at all grocers.

## "The Kayser" SILK Glove

The tips outwear the gloves

is the World's standard silk glove—all other silk gloves are measured by the "KAYSER" standard.

The development of the "KAYSER" Silk Glove requires the strictest of an ideal, the achievement of which has not been hampered by restrictions of cost or of material, and by a pressing demand for features most aptly characterized as "lasting points."

We could not afford to buy expensive advertising space "year after year" to tell the women of America that "KAYSER" Gloves are the best—in style, fit and finish—if it were not true.

"KAYSER" Gloves "last longer" than the ordinary kind—and are worth double in quality, fit and value.

Don't accept the "just as good" kind; there's a way to tell the genuine—"Look in the Hem"—if you find the name "KAYSER"—you have the kind that "don't wear out" at the finger ends.

A Guaranteed ticket in every pair.

Short Silk Gloves, 50c, 75c, \$1.00, \$1.25, \$1.50  
Long Silk Gloves, 75c, \$1.00, \$1.25, \$1.50, \$2.00

## MUSTEROLE

WILL NOT BLISTER

For Burns, Bruises and Sores

The quickest and surest cure for burns, bruises, boils, sores, inflammation and all skin diseases is Rickert's Arnica Salve. In four days it cured L. H. Hatlin, of Fredell, Tex., of a sore on his ankle which pained him so he could hardly walk. Should be in every home. Only 25c. Recommended by F. D. Hall.

# DON'T LET THE FLIES BOTHER YOU

DON'T waste your energy and rack your nerves shooting flies away. Buy screens. Then you can lie down to enjoy a quiet snooze, knowing flies won't bother you, or menace your health.

We have everything you need in hardware. Deal with us once and you'll be a customer for life.

### NEW CURE PROVES MARVEL IN MAN'S PECULIAR CASE

ORDINARY TREATMENT FAILS TO CURE A RICHMOND MAN OF PECULIAR AILMENTS.

UNITED DOCTORS CURE HIM.

Complication Consisted Partly of Serious Condition of Stomach, Liver, Kidneys and Nerves.

Aching in almost every muscle, nervous and weak, and seeking in vain for relief, Mr. J. H. Rose of 111 North Second street, Richmond, Indiana, finally decided to go to the United Doctors, the specialists who have their Newark office on the second floor of the Y. M. C. A. building.

Mr. Rose considers his time and the cost of making his trip to the Dayton, Ohio, institution of the United Doctors, where he was treated, well spent for the gratifying results he has obtained with the remarkable non-surgical system of medicine from a lengthy stay in a hospital for prostration of the following ailments, continuing in Mr. Rose's own words his gratitude for his recovery after having formerly sought in vain for relief under the old methods of treatment.

For the past four years I have suffered from Stomach, Liver, Kidney and Nerve troubles, which frequently caused me to become very dizzy. I had constant constipation, was bloated, constipated, and over my liver and under my ribs on the right side and across my back there was continual pain and aching. I was nervous and weak and altogether in bad shape.

"Regarding the United Doctors' treatment I wish to say that in four weeks all my aches and pains have vanished and I have gained seven pounds in weight and feel finer than in a very long time. My strength has returned and I can now eat anything I wish to. This speaks for itself and I have nothing but praise for the United Doctors' methods of treatment."

Get the pills from your druggist at 50 cents per box, six boxes for \$2.50 or from the

### WILL ENDEAVOR TO LIQUIDATE INDEBTEDNESS

On next Sunday, May 4, the Central Church of Christ, North Fourth street, Rev. W. D. Ward, will call for a volunteer offering to liquidate present indebtedness. Dr. M. L. Bates, president of Hiram college, and a former pastor, will preach both morning and evening. Other former pastors have also been invited to attend.

This church has had a remarkably rapid and permanent growth. While it had a formal organization for a few years, meeting in private homes and public halls, yet its beginning virtually dates from June 9, 1895, when Rev. F. M. Bates of Cincinnati dedicated a small building on the present site. Mr. Bates was then secured as pastor of the church and began his work on Sunday, September 29, same year. The church attendance in the morning was about 70 and about 100 in the evening, with 25 in the Bible or Sunday school. Mr. Bates found an indebtedness of \$12,000 and when he resigned in 1901 all was paid except \$5000, which was canceled when an addition to the church lot was purchased a short time thereafter, the agreement having been made by Mr. Bates before he resigned.

During the pastorate of H. Newton Miller, Mr. Bates' worthy successor, the present church building was constructed, and rededicated by Rev. Powers of Washington, D. C., in 1904, and it is the remaining of the indebtedness incurred at this time that the church is now trying to raise. The present debt is \$4500, and the church has every reason to believe that the amount, with the aid and prayers of every member of the church, aided by the sympathy and assistance of its friends in and out of the city, will be forthcoming on next Lord's day. The church feels that it is an unfinished mission in the city and is looking for Christ, and will gladly appreciate every financial word and deed that will enable it to continue with other churches of our city and country in the redemption of our land and redemption of our people's souls. All who desire to help these efforts, will be glad to be heard.

### WILL REPORT ON FLOOD CONDITIONS IN OHIO DISTRICT

At the annual meeting of the American Society of Civil Engineers, held at the Hotel St. Denis, New York City, on April 19, 1912, Mr. J. H. Bates, president of the Ohio District, will report on the flood conditions in the Ohio district. Mr. Bates is a former pastor of the Central Church of Christ, North Fourth street, and is a member of the American Society of Civil Engineers. He will report on the flood conditions in the Ohio district, which have been very serious in recent years. He will also report on the work of the Ohio district in the past year. The meeting will be held in the large hall of the Hotel St. Denis and will be open to all who are interested in the work of the American Society of Civil Engineers.

### Gold Dust makes soft water available everywhere

Every woman knows the luxury of having soft water at her command, especially for washing clothes, but Nature has denied this luxury to many, especially to those living in cities or in "hard water" countries.

However, every woman can have soft water in her home with little trouble and less expense. The "sprinkling of Gold Dust washing powder in the water from your taps or well will make it as soft as the rain water that falls from the clouds.

Gold Dust takes out the mineral substances that make the water hard and brings out the greatest cleansing value.

The Gold Dust Twins Make the Whole World Brighter

Gold Dust is sold in 50 size and large packages. The large package means greater economy.

## THROUGH TRAINS ARE NOW RUNNING TO PARKERSBURG

The first through trains since the flood were run over the O. & L. K. division of the B. & O. railroad Tuesday, between Zanesville and Parkersburg, W. Va. For many weeks passengers have been detoured and transferred while bridge and track repairs were in progress. This division was perhaps the hardest hit of the entire B. & O. as its proximity to the river caused it to suffer full force of the current, and as a result miles of track were washed out.

## TWINE STRIKERS RETURN TO WORK UNDER PROTECTION

Associated Press Telegram

Auburn, N. Y., April 29—More than 150 strikers of the International Harvester twine mill went to work this morning through lines of police, despite the threats of 75 other strikers who tried to persuade them to remain out. The mayor, the police commissioner, and the entire city force were present and no interference with incoming strikers was tolerated. Superintendent Gregg put the men to work at once and for the first time in six weeks the wheels turned in the big factory, where half of the machinery is dismantled. The strike leaders are making frantic efforts to stay the break in their ranks.

# QUALITY NOT QUANTITY

Your primary consideration in your Piano purchase should be Quality—Tone Quality, coupled with durability, and your secondary consideration should be, a case of artistic design and beauty. You will find a full line of both upright and Grands on our floor to fill your every requirements, backed by our absolute guarantee and priced from three hundred to one thousand dollars.

If you must sacrifice quality and are looking for price alone, we can sell you a "box" called a "piano" from \$75 to \$150.00. These "boxes" are not guaranteed, because they will not stand the test of time, and if we should guarantee them, we would have to make good, because our GUARANTEE IS GOOD.
